Information collected by Mazenet

- You have total control on the privacy of your information.
- Your information will never be sold, exchanged or disclosed to any third party for marketing purposes.
- You can opt to receive offers from us.

You can browse our website without registration.

We may collect and store the information that you voluntarily disclose to us, in order to access our free tests and discussion forum. We do not share your personal information with any third party. We do not collect information about our visitors from email databases, private/ public organization or bodies.

We may use your information to contact you via email or telephone, typically to get feedback, to inform you about new products or provide support on your issues. If you do not want us to contact you via email, you can unsubscribe at any time.

When you purchase our online products or register for a classroom training, you need to make the payment online, thus you will be required to share with us your personal information such as name, e-mail address, telephone number, address(s), credit card number, expiration, and CVV number.

During this program, we store your contact information in our registration and order-entry systems. Your credit card information is never stored in our system as it is processed by our payment gateway which uses Secure Encryption Technology (SSL).

DATA TRACKING COOKIES

To facilitate and customize your experience with the Website, we store cookies on your computer. A cookie is a small text file that is stored on a User's computer for record-keeping purposes which contains information about that User. We use cookies to save your time while using the Website, remind us who you are, and track and target User interests in order to provide a customized experience. Cookies also allow us to collect Non-Personally Identifiable Information from you, like which pages you visited and what links you clicked on. Use of this information helps us to create a more user-friendly experience for all visitors. In addition, we may use Third Party Advertising Companies to display advertisements on our Website. As part of their service, they may place separate cookies on your computer. We have no access to or control over these cookies. This Privacy Policy covers the use of cookies by our Website only and does not cover the use of cookies by any Advertiser. Most browsers automatically accept cookies, but you may be able to modify your browser settings to decline cookies. Please note that if you decline or delete these cookies, some parts of the Website may not work properly.

SERVER LOGS

In an effort to make our Website as effective and enjoyable as possible, the computers that operate it collect certain information each time you visit. We store these statistics in server logs. Once again, these statistics do not identify you personally, but provide us information regarding the type of user who is accessing our Website and certain browsing activities of that user. This data may include: the IP address of the user accessing our Website (i.e. the unique I.D. number of the user's computer), the type of browser (Internet Explorer, Firefox, etc.) and the operating system (Windows, Mac OS, etc.), the Website the user last visited before linking to our Website, how long the user accessed our Website in any given session, and the date and time of access. We may make extensive use of this data at an aggregated level in order to understand how our Website is being used. We may share some of the aggregate findings (not the specific data) with advertisers, sponsors, investors, strategic partners, and others in order to help grow our business.

E-commerce tracking

To provide superior online shopping experience, our shopping cart may use cookies to temporarily store names and email addresses. Cookies will never store credit card information as they're processed using payment gateways that use Secure Encryption Technology.

External Links

Our website may have links to other sites, which include third party websites or resources. We are not responsible for the privacy policies and information practices of third party websites. Please read the privacy policies of third party websites as every website has different terms of use and privacy policies.

Course Content

Course content for all the study programs both online and blended programs, is provided only for the purpose of education and guidance. The course content is reviewed regularly and is subject to change without notice. Mazenet reserves the right to modify training content without notice.

Copyright information

You can electronically copy or take print outs of the website pages, only for personal use. Mazenet holds the copyright to all the material on this website, unless otherwise indicated. A written permission from the copyright holder must be obtained for any use of this material other than for purposes permitted by law.

PRIVACY POLICIES OF THIRD PARTY WEBSITES

This Privacy Policy only addresses the use and disclosure of information we collect from you. Other websites that may be accessible through this Website have their own privacy policies and data collection, use and disclosure practices. If you link to any such website, we urge you to review the respective website's privacy policy. We are not responsible for the policies or practices of third parties.

CHANGES IN POLICY

We may change this Privacy Policy at any time by posting the revised Privacy Policy in the "Privacy Policy" section of the Website. The revised Privacy Policy is effective immediately when posted on the Website. It is the responsibility of each User to review the Website and the Privacy Policy periodically to learn of any revisions to this Privacy Policy. Your continued use of the Website after the effectiveness of such revisions will constitute your acknowledgment and acceptance of the terms of the revised Privacy Policy. We stand behind the promises we make, however, and will never materially change our policies and practices to make them less protective of customer information collected in the past without the consent of affected customers.
